MANAGING THE TALENT PIPELINE

As employers, we recognize that the future of our country and our state’s competitive standing relies on an education system that adequately prepares the future workforce.

As baby boomers retire, the emerging and future workforce need to be prepared with the right skill sets while many jobs exist without people due to the lack of appropriate skills.

There may be people without jobs, but many jobs exist without people prepared with the right skill sets while the future workforce need to be prepared with the right skill sets while many jobs exist without people due to the lack of appropriate skills.
