G70 Promotes Two Employees To Associate

HONOLULU – www.g70.design – Hawaii’s leading design firm G70 today announced it has promoted both Mr. Steven Doo and Ms. Barrie Morgan to Associate.

Civil Engineering Project Manager Steven Doo, PE, has been promoted to Associate with G70 and will be responsible for directing and overseeing planning and design projects; he has been with the firm for nearly three years. Doo is a licensed civil engineer and earned his Bachelor of Science in Civil and Environmental Engineering from the University of Hawaii at Mānoa. He is a co-chair of the Hawai‘i State Infrastructure Report Card with the American Society of Civil Engineers (ASCE) and is a member of the American Public Works Association (APWA). Doo has served as the executive vice president of the Asian American Junior Chamber of Commerce and co-chaired Hawai‘i State Jaycee’s “Adopt a School Day” in 2016. Doo is a resident of Kāne‘ohe.

Senior Environmental Planner Barrie Morgan, AICP, has also been promoted to Associate with Hawaii’s leading design firm G70; she has been with the firm for almost five years. Morgan holds over 20 years of experience and specializes in terrestrial and marine resources. Previously she managed remote natural areas in Hawaii and the Pacific, and was a technical writer for a renewable energy research institute. Morgan earned her Bachelor of Arts in Environmental Conservation from the University of Hawaii at Manoa. She is the vice-chair of the Kailua Urban Design Task Force and a member for the American Planning Association’s (APA) Hawaii Chapter. Morgan is a resident of Kailua.

About G70
An award-winning design firm founded in Honolulu in 1971, G70 (formerly Group 70 International, Inc.) is dedicated to a collaborative approach and committed to design that reflects the community in which the project serves. G70 provides leading-edge creativity for projects for the hospitality, commercial office and mixed use, multi-family housing, education, financial, healthcare and planned communities sectors. The firm offers specialized services including indigenous planning, environmental compliance, strategy, and sustainable development. Meanwhile G70’s commitment to sustainable
practices garnered Pacific Business News inaugural "Best in Sustainability" award. For more information on Hawaii’s leading multi-discipline design firm specializing in architecture, planning, interior design, and civil engineering, visit g70.design.
