On January 25, 2019 the most prestigious awards in the spicy food industry were distributed at the Fiery Food Challenge Awards dinner in Irving, Texas, and Salty Wahine Gourmet Hawaiian Sea Salts Island Volcano Seasoning “Erupted” winning 5 prestigious Awards: two 1st Place Awards, winning the 1st Place People’s Choice Award for Spice Rub 2 years in a row, and two 3rd Place Awards!

The Fiery Food Challenge pits products from across the US and internationally against one another in more than 85 categories. Professional judges evaluate hundreds of sauces, salsas and other spicy treats and award first, second and third place prizes in each category. Awards are proudly displayed at Zest Fest, a spicy, zesty and flavorful food event held the same week as the Fiery Food Challenge at the Irving Convention Center at Las Colinas.

Laura Cristobal Andersland, Salty Wahine Owner, said “Salty Wahine made a huge repeat splash at the Fiery Food Challenge with our second entry in this prestigious event. Island Volcano Seasoning won the People’s Choice Award during blind taste testing by the people attending the event for two years in a row. Island Volcano Seasoning has become a Great Award-Winning Seasoning! I can’t believe we beat all these Texas barbeque rubs two years in a row! It is nice to know that Kauai products can compete internationally and hold our own!”
