The Chamber of Commerce Hawaii’s Young Professionals Program is designed to offer young professionals, ages 21 – 39, the opportunity to exchange ideas, grow professionally, share common interests and get an inside view into Hawaii’s business community.

Join Hawaii’s largest young professional program with over 270 members to invest in your career and professional development, expand your professional circle of influence and make meaningful relationships. Yearly, YP members are acknowledged by the business community for their professional success with the PBN 40 Under 40, Hawaii Business magazine 20 for the Next 20 and other recognition.

Be a part of the program and make a difference in your career and community!

**MISSION**

Empower young professionals as stewards of the business community through professional development while enhancing personal networks to foster Hawaii’s current and future business leaders.
